

## DESCRIPTION

### Rain X Insect Remover & Protectant

An easy-to-use solution that quickly removes insect and bird droppings from windshield, bodywork, bumpers and mirrors.

It also protects surfaces with the exclusive invisible protection of Rain-X, reducing the adherence of new contamination and facilitating future cleaning.

## FEATURES

- Differentiated insect remover by its invisible protection barrier.
- Compatible with glass, paint, chrome, and plastic materials.
- Safe application to windshield, bodywork, bumpers and windows.
- Formulated with Rain-X's exclusive hydrophobic technology, which repels water efficiently.
- IMPROVES VISIBILITY AND KEEPS CARS LIKE NEW.

## INSTRUCCIONS

General recommendation: DO NOT APPLY IN THE SUN OR ON A HOT BODY.

- **Step 1:** Shake before use and spray on the surfaces to be treated.
- **Step 2:** Let the product act for 4-5 minutes.
- **Step 3:** If necessary, rub with a sponge or clean cloth.
- **Step 4:** Rinse with water for best results, especially where visibility is required.

## RAIN-X INSECT REMOVER & PROTECTANT 500ML

### TECHNICAL CHARACTERISTICS

Property	Unit	Method	Value
Appearance	-	Visual	Transparent/Translucid
Colour	-	Visual	Colourless
Density @ 20°C	g/ml	ASTM D4052	1.00
pH	-	ASTM E70	10.5-11.5

NOTE: These data represent mean values measured after different tests. Given the wide variety of operating conditions, these data are not the basis for determining specifications.
